This topic is the last in our study of the Year of Matthew.

Key Dates

Activities to try at home

You are the first educator of your child in faith. Your child's learning in religious education will be much greater if you and the school are engaged in talking about the same ideas and beliefs. Help your child by trying this activity while this topic is being taught:

- Welcoming people into our homes, workplaces and communities is part of life. Talk with your children about how you welcome new friends and family and why. Making people welcome is the first moment when we say to them you matter to us – you are important and valuable to us...and to God.

An idea for prayer at home

Prayer Activity

Loving God, as we gather as a family today/tonight, may we remember your great love for us. You call us your daughters and sons, making us all members of one family. This day and tomorrow might we remember to welcome and show our love and appreciation for those around us: old friend and new. Make us people who welcome as you did – inviting others to be part of your family, your home.
Amen.
