<p style="text-align: center;"><u>English</u></p> <p>If an alien came down to Earth from another planet he would probably be very confused by a lot of things he would find here.</p> <p>Look around your house. There are a lot of things in your house that would confuse an alien. You probably take a lot of these things for granted. Things like a television, a computer, a vacuum cleaner, and a washing machine would probably be unknown to the alien.</p> <p>Imagine an alien did land on Earth and that you made friends with it. Choose an item from the list above, or use an idea of your own, and explain what it is to the alien. Write your explanation down. Think about what the thing is used for, how you use it and how it works. You could draw a labelled diagram to help you explain things.</p>	<p style="text-align: center;"><u>History – Anglo Saxons</u></p> <p>You are an archaeologist who has dug up a box of Anglo Saxon artefacts. What could be inside? Describe in a diary entry, using adjectives and similes what you found. You can choose to hand write or type this. Please present it beautifully as this work will go into your Humanities book.</p>
<p style="text-align: center;"><u>Maths</u></p> <p>Play the place value board game with your family. On the back of the board, write down who won and how you found the game. Did you find it easy/hard? Why?</p> 	<p style="text-align: center;"><u>RE</u></p> <p>Read the story of Exodus provided.
