Activities to try at home

You are the first educator of your child in faith. Your child's learning in religious education will be much higher if you and the school are engaged in talking about the same ideas and beliefs. Help your child by trying one or more of these activities while this unit is being taught:

- *Together, look through a family scrapbook or photograph album of a visit to a place that is special for your family.*
- *Look at a globe or an atlas. Find a special place and pray for the people of that country*

An idea for prayer at home

We give thanks and praise you for our Wonderful World.

Amen
