

St John's Catholic Primary School

July 2018

Truly, I say to you, this generation will not pass away until all has taken place. Luke 21:32

What an amazing year is drawing to a close. We have had a year-long focus on Feed the World 2050 and the children can now articulate actions for the future and have a recognition of their responsibility for others across the world. It has been humbling to read their simple understanding of why we all need to share fairly. Thank you for all your support and feedback this year. Have a great summer and we look forward to seeing you again in September.

District Sports Final Monday July 9th

Well it certainly came home! Not the World Cup unfortunately but the trophy proving that St John's is the best small school for athletics in the whole of Baldock, Hitchin and Letchworth as well as the surrounding villages.

Well done to all those who represented the school so well on and off the track and a huge thank you for the brilliant support.

Baldock Bike Ride

What a lovely day!

Huge congratulations to all who took part, on a particularly warm day. Twenty six people represented St John's including 5 pupils and of course the inimitable Mr Baynham.

Thank you for the all the donations too - over £1000 was raised.

Well done to Megan, Ronan, Aidan, Josh and Art.

Winning Vegetables

Well done to Mrs Jones and her everchanging team of helpers. St John's won the Best Vegetables Trophy in the school's section at the Baldock Horticultural Show.

Y6 Leavers Outing 10th July

Year 6 children, fresh from their "prom" came together for a bowling match and pizza to celebrate all their great work this year and to wish them all the best with their next endeavours. Alfie Pyke was the man of the hour with a fabulous score of 122. And, just to prove it's who you know and not what you know, Father Denis finished with a spectacular 151!

Goodbye and Good Luck to all the children in Year 6. You make us proud.
