FEBRUARY NEWSLETTER 2019

'Give careful thought to the paths for your feet and be steadfast in all your ways.'

Proverbs 4: 26

Dear Parents,

As we come to our first half term of 2019, it allows us the opportunity to celebrate the achievements so far this term. The children have really shone and we hope that this continues throughout the rest of the year.

Young Voices

The choir at St. John's had an amazing opportunity to share their vocal skills in front of lots of other schools, in one of London's well known music venues. They sang a range of popular songs. A big

Year 6 Science at KTS

Year 6 had a fabulous opportunity to extend and further their knowledge on the subject of electricity. They were given the chance to learn more about this exciting topic through the skilled knowledge of Secondary School teachers. We are very lucky to have these types of opportunities and the children really enjoyed it.

Sporting Events for the Spring Term

Here are some of the reports from this month's sporting events:

24th January 2019 - Sports Hall Athletics

The children all were in great spirits as they took part in a very competitive competition of Sports Hall Athletics. This included Vertical Jumps, Shuttle Relays, Up and Under's and Standing Javelin. Both the boys and girls teams did well and enjoyed the opportunity to represent the school.

Tesco Project Completion

The work on our 2 new sensory rooms has now been completed! The Rainbow Room has been in use for some time now, with lots of children having intervention sessions in here and many other children using it for a cosy and relaxing space.

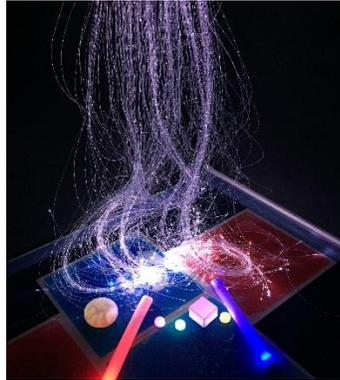

Before.....

and after!

The Escape was the last room to be finished off but with lots of help.....

with painting and laying the pressure tiles, we now have a lovely light up space!

We are so grateful to all the staff, SEN governor, parents and other members of the community who have given up their precious time and energy to help us complete this project so quickly and beautifully. We hope that the children will be enjoying these spaces for many years to come.

Watch this space for more updates on when the rooms will be officially finished.
