

St. John's Catholic Primary School

APRIL NEWSLETTER 2019

"A new command I give you: Love one another. As I have loved you, so you must love one another. By this everyone will know that you are my disciples, if you love one another." **John 13: 34 - 35**

Happy Easter.

With time to reflect and think about the wonders of Jesus' resurrection, it is also a time to think about others. Have we acted in the correct way? Have we done what is right?

John's message talks of respect and understanding of others. Learning to respect others is an important skill to allow us to function correctly within society. This is one of many important skills we aim to focus on and imbed in learning for the children at St. John's.

The staff at St. John's are working as hard as they can to deliver the quality of education that your children deserve.

Therefore, we believe that it is only fair that we treat others as we wish to be treated. When speaking to a member of staff at St. John's, please remember that they are just like you, they care for your children.

St. John's does not tolerate aggressive language or behavior towards any members of it staff.

Thank you for taking the time to read this message.

LUNCHTIME CLUBS SUMMER

Monday

Thursday

Reading/ Book Club

Friday

Games Club

Baldock Bike Ride

After the success of last year's Bike ride, Mr Baynham has used the money raised to equip the school with many resources. These range from Microphone Stands for school concerts, soft balls for children to use during break and lunch times, a range of mathematical equipment, to help support the children's learning and a range of different items (art equipment, jigsaws and other wet playtime equipment). Some of the money also went to help restore and display the statue, that was donated to us by the Nun's from the convent. We could never have been able to give the children these extras without you supporting, raising money and taking part in the Baldock Bike Ride. A huge thank you on behalf of all of us at St. John's. An extra big Thank you to Mr. Baynham for all his hardwork in helping this be a possibility.

If you are interested in the Bike Ride this year, it takes place on Sunday 14th July. It is great fun, no matter if you take part or support. A fantastic morning.
