**Relationship and Sex
Education**

Summer 2

Year 2

Boys and girls, families

Lesson Outlines

Discussion Questions

How would you know the difference between male and female animals? (name, role etc.)

How are boys and girls different?

How are boys and girls similar?

How can families be different?

Reading Materials

- *There's going to be a baby*, John Birmingham and Helen Oxenbury
- *The great big book of families*, Mary Hoffman
- *Your mummy ate my football*, Birmingham Health Education Unit
- *Boys and girls*, Birmingham Health Education Unit
- *The world is full of babies*, Nick Branning and Brita Granstrom
- *Once there were giants*, Martin Waddell

LESSON ONE

Pupils learn about the biological differences between male and female animals and their role in the life cycle

Pupils • know that female mammals give birth and nurse their young • can describe the biological differences between male and female

LESSON TWO

Pupils learn the biological differences between male and female children

Pupils • identify and name biological terms for male and female sex parts • can label the male and female sex parts with confidence

LESSON THREE

Pupils learn about different types of family and how their home-life is special

Pupils • can describe different types of family • identify what is special and different about their home life • understand families care for each other in a variety of ways
