

RSE
**Relationship and Sex
Education**

Summer 2

Year 6

Healthy relationships / How a baby is made

Lesson Outlines

Discussion Questions

What are positive qualities of a relationship?

How is a baby made?

How are men and women different?

How is baby conceived?

Reading Materials

- *How did I begin? Nick Manning and Brita Granstrom*
- *Let's talk about where babies come from, Robie H. Harris*
 - *Kids, poem by Spike Milligan*
- *I luv me mudder, poem by Benjamin Zephaniah*

LESSON ONE

Pupils learn what values are important to them in relationships and to appreciate the importance of friendship in intimate relationships

Pupils • can identify positive qualities and expectations from a variety of relationships • can explain the similarities and differences between friendships and intimate relationships • can describe that there are different types of intimate relationships, including marriage • understand that sex or making love may be one part of an intimate relationship between adults

LESSON TWO

Pupils learn about human reproduction in the context of the human lifecycle

Pupils • know that sexual intercourse may be one part of a loving relationship • can name the male and female sex cells and reproductive organs

LESSON THREE

Pupils learn how a baby is made and grows (conception and pregnancy)

Pupils • know the male and female body parts associated with conception and pregnancy • can define conception and understand the importance of implantation in the womb • know what pregnancy is, where it occurs and how long it takes
