

ST. JOHN'S CATHOLIC PRIMARY SCHOOL
Homework Grid – Year 3

Autumn 2nd Half Term 2019

This is our homework grid for this half term. The homework activities are related to our curriculum learning objectives. You can choose to do the activities in any order, but you are expected to complete one homework activity each week. Please make sure that your homework activity is completed and the folder is handed into school on a Wednesday so it can be marked and returned on a Friday.

You are also expected to complete your weekly spellings, timetables and continue with daily reading.

The homework grid and additional resources are available on the school website to download and print at home. Please speak to your class teacher if your child needs a paper copy.

= Resources provided

<p style="text-align: center;">Art and Design Technology Please complete by 9th November</p> <p>In preparation for our school remembering those who died in the War, please make a poppy. You can make it from whatever materials you like (recycled bottles, cardboard, scrap material, paper etc).</p>	<p style="text-align: center;">English</p> <p>Write a limerick about you or a family member. (We wrote limericks in school last halfterm)</p>	<p style="text-align: center;">English</p> <p>Write an acrostic poem about rivers (see sheet). We will be looking at words connected with rivers in the first couple of weeks of November.</p> 	
<p style="text-align: center;">Science</p> <p>Find out how sunglasses work to protect our eyes and design a pair.</p>	<p style="text-align: center;">Mathematics (anytime)</p> <p>Practise your number facts! Complete the sheet for 3 numbers of your choice. Use number 12 as a model. What numbers add to make your number? What do you get when you take numbers from your number? Put a * next to the ones you don't know by heart. Practise them and get a grown-up to test you!</p> 	<p style="text-align: center;">RE (recommended w/c 12/11 or 19/11)</p> <p>Answer these questions as fully as you can:</p> <ol style="list-style-type: none"> 1. What is Adoremus? 2. What is the Eucharist? 3. Why is Adoremus special? 	<p style="text-align: center;">Mathematics (recommended December onwards)</p> <p>Over three days, keep a tally of the drinks you have had and how many of each. For example, 6 glasses of water, 2 glasses of orange juice, 3 glasses of milk etc). Present the information in a bar chart. Label the axes. Do the results surprise you?</p>
