

# St. John's Catholic Primary School

NOVEMBER NEWSLETTER 2019

“Because of the Lord's great love we are not consumed, for his compassions never fail.” **Lamentations 3:22**

Dear Parents and Carers,

Another great half term had by the children at St. John's. They have had the opportunity to be involved in a range of different experiences this half term. From our remembrance service within school, to travelling back in time to a war time (Year 5 and 6) get together that involved the whole community.

Our school council has also been looking at ways of how we can look after our school. If your children have any more ideas or projects, please ensure that they speak to their representative for their classroom.

Please take this opportunity to read the school newsletter in its entirety.

Thank you  
Ms. Hanou

## Parent's Association

On behalf of the school community, a big thank you to the Parent's Association for the fantastic events that they have produced this term. From Cakes for classes, through to the Christmas Bonanza.

## Parking

A polite reminder to all those dropping children off at St. John's that we have the wonderful church car park to park in and walk the children down to the school.

**PLEASE REFRAIN FROM PARKING OPPOSITE THE SCHOOL!**

### Sporting News

With all after school sporting clubs ending due to the evenings drawing in, this is a wrap up of the events that have taken place during November.

A group (8 children) from Year 4 took part in the Rapid Fire Cricket Festival at Fearnhill Secondary School. The children really enjoyed the day and the competition that they faced throughout the tournament. We were very proud of the effort, determination and teamwork that they showed throughout.

Well done!

Mr Timson
