

# St John's Catholic Primary School

## Home Learning Project week beginning 13-07-20

### Year 1

#### Weekly Maths Tasks (1 per day)

- To link to our science topic of the seasons this week you are going to create a pictograms linked to sunlight hours. Complete the graph and answer the questions. [Resource](#)
- After completing your physical activities you can create a table to record your results in different events and then you could have a go at drawing a graph to show your achievements. You could use the 2graph tool on purple mash to help you.  
<https://www.purplemash.com/#app/tools/2graph>

#### Weekly Reading Tasks (1 per day)

- Continue to **read, daily** for at least 10 minutes. Free ebooks can be found at: <https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/> Let me know if you are unsure of their book band level. Parents to use the question examples in your packs to ask questions.
- Read and complete the reading comprehension All about Tocuaro. [Resource](#)

#### Weekly Phonics Tasks (1 per day)

- Play any of the games on phonics play.  
log in : Username: march20 Password: home.
- If you would like a change from phonics play you could sign up for Teach Your Monster to Read.  
[https://www.teachyourmonstertoread.com/?gclid=EAJaIQobChMIj6-i3fXo6QIViZntCh04lw4CEAAAYAiAAEgJ1p\\_D\\_BwE](https://www.teachyourmonstertoread.com/?gclid=EAJaIQobChMIj6-i3fXo6QIViZntCh04lw4CEAAAYAiAAEgJ1p_D_BwE)

#### Weekly Writing Tasks (1 per day)

- Write a letter to Mrs Sullivan to tell her all about yourself. What is your favourite thing to do in and out of school? What are you looking forward to in year 2? What worries about year 2 do you have? What would you like Mrs Sullivan to help you with the most in year 2?  
  
You could complete your letter in 3 stages. You could draw a map to help you remember the parts of your letter like you do in Oak National Academy. Then you could use your map to help you write your letter and then you could re-read and edit your letter. I can then send these over to Mrs Sullivan.
- Complete the end of year memories worksheet if not done already.

### Weekly Learning Project

**Geography:** After reading the Tocuaro reading comprehension complete the worksheet *All about my town*. [Resource](#)

**Science:** This week you are going to be exploring the affects of the sun and thinking about sun safety. You can try the shadow investigation, then look at the powerpoint and complete the worksheet about packing for the sun and design your own sunhat. You will also be thinking about changes in daylight hours in maths this week. [Resource x2](#)

*RE Write your own prayer for the St John's Prayer Book of Hope (See resource). It could be for your family, for our school community or for the world. [Resource](#)*

### *Physical Activity –*

- *As we are missing the sports day, complete these activities and see if you can beat your best time, repetitions or distance. There are three types of activity: events you time to see how long you can hold a position (squats, the bowl, the plank); events where you count how many repetitions you can do in 30 seconds (star jumps, picachus, forward lunges, burpees, press ups, crunches etc); and events where you record distance (standing long jumps, sock ball shotput, paper airplane javelin). Record your times for your maths activity.*
