

ST JOHN'S CATHOLIC PRIMARY SCHOOL

'Let the light of Christ shine in us'

Weekly Newsletter

FRIDAY 26TH JUNE 2020

SUMMER TERM – SUMMER 2 - WEEK 4

Weekly Newsletter

Good Evening all,

Firstly, I would like to say a huge thank you. This has been an unprecedented time for St. John's and was not something we can have foreseen or planned for. The way in which all of you have responded, worked together and kept moving forward is testament to the parent community of our school.

St. John's has been enjoying the sun (and the rain!) over the past week, but it has not dampened our spirits here.

As always, I would like to give you a brief update from St. John's. This week we welcomed back Year Six for morning sessions to build up their confidence about their transition to Secondary School. This has been a really positive experience and the children engaged really well with thinking about their next big step in their academic careers. We continue to support our Key workers and EY children.

The teachers are still impressed with the quality of work that they are receiving and we encourage you to keep going as we move into the final few weeks. All of the work and activities that the teachers are putting together currently will be a great stepping stone into the next year.

All staff at St. John's are currently working hard on preparing for next year. We are reviewing our curriculum to make sure that no children are left behind and that we are able to support, guide and nurture them as they come back.

As I said in a letter yesterday, our school are currently working on procedures, policies and risk assessments for September and both myself and the Governing body will keep you informed over the next few weeks of our plans.

Keep safe,

Mr. T Timson

Acting Headteacher

“The Lord watch between you and me, when we are out of one another's sight.”

(Genesis 31:49)
