Dear parents and carers,

Thank you for your positive approach to coming back to school today. All the children have settled in extremely well and we can only thank you for the commitment you have put in to achieving this.

The staff at St. John's have also worked incredibly hard to settle the children in to a different structure. I wanted again to share my thanks and gratitude to all staff that have made this possible.

However, as we have stated throughout, when we feel we can improve an aspect of our day to give the best possible experience for the children at St. John's, we will. This has led to us making a few changes to the morning drop-off. These will be implemented from Friday 4th September 2020. The changes are as listed below:

Dropping off (Year 2 to Year 6)

The staggered times will continue to be in place so please adhere to the times you were given.

However, with a large number of parents dropping off, we have extended the way in which we will be entering the school. As you come into the gates you will immediately take a left turn. You will then follow the arrows around the very outskirts of the playground.

For children in Year 5 and 6, we ask that they enter via the first doors on the left (the doors that they would normally come through before school closure), not their classroom doors. There are hand sanitisers in place for the children to sanitise their hands before they go in. We would encourage parents to allow their children (in Year 5 and 6) to be dropped off at the school gate as to limit the number of adults entering the school grounds.

For children in Year 2, 3 and 4, we ask that they continue to go and line up outside the classroom. We ask that parents drop off promptly so as to not lead to a back log of parents coming into the school. They will have hand sanitizer provided by the teachers and will be able to enter more swiftly. As soon as you reach the drop off point, please make sure that you exit via the one-way system as swiftly as possible.

We ask that you maintain your social distance while on the school site.

Thank you for your understanding.

Kind regards,

T. Timson

Acting Headteacher
