FRIDAY 10TH JULY 2020

SUMMER TERM – SUMMER 2 - WEEK 6

Weekly Newsletter

Good Evening all,

With all that has gone on this term, sometimes we lose sight of what is around us, we can get side-tracked by different thoughts and ideas.

As this year is the *'Year of the Word'*, I thought it was the perfect opportunity to reflect on a piece of scripture.

'Your word is a lamp to guide my feet and a light for my path.' (Psalm 119:105)

It is always reassuring to know that, even in the hardest moments, we have the support and guidance of God.

As many of us continue on our journey, either within St. John's or onto new pastures, to know that we are supported will help in this transition.

I have been so impressed with the attitude and dedication of our Year Six's who have all turned up to our transition sessions and have really thought about their journey to Secondary School.

We will be putting on a couple of events for our Year Six community next week and we will give them the send off that they deserve.

Whole School Online Virtual Mass

We welcome all members of the St. John's community to join us at our virtual mass on

Tuesday 14th July at 11:30

This will be hosted on the parish's facebook page and a link will be sent out next week.

For all those of who are staying with us at St. John's, we begin to look to the future.

Thank you to all the parents who joined us on our Transition meetings. They were informative and gave a great opportunity to discover more about the new teachers (even if you could not meet face to face).

The Governors and the School Leadership team will be working hard next week to reassure you about the school's approach in September. This information will be shared with you by the end of next week and will allow you time to prepare for the (hopeful) return of pupils in September.

Please have a lovely weekend and God Bless,

Mr. Timson Acting Headteacher

"Your word is a lamp to guide my feet and a light for my path."
