AUTUMN TERM – 1ST HALF TERM – WEEK 2

Welcome

WOW, what a week!

I have been so impressed with the attitude and behaviour of all our children here at St. John's this week. They have really given their all in their learning and have worked hard at understanding the roles and responsibilities as members of St. John's Catholic Primary School. All the children have been involved in building their own class agreements and it would be a great opportunity for you to discuss this with them and share in the joy of being a member of our school community.

We have had the opportunity to welcome our new reception children to school this week (albeit for the morning!) and they have settled in extremely well. We are looking forward to welcoming them fully into our St. John's school community next week as they start full time.

We have been discussing 'Kindness' this week and how just a simple smile can change someone's day. As the old slogan used to go 'Every little helps'. I think this is a really important message for all of us as we are all needed to do our part during this current pandemic.

Please make sure that you read all letters sent from the school so that as we evolve and tweak elements of our school day and procedures, that you are aware of these small but important changes.

Have a lovely weekend and God Bless,

Mr Timson
