**Statement of intent**  
**'Let the Light of Christ Shine us'**

At St. John's Catholic Primary, education is at the centre of all we do. We aim to provide children with all the tools to access the best possible education. However, we understand the need to continually deliver high quality education, especially during periods of remote home learning. As per the teacher standards and our expectations at St. John's it is important to maintain high expectations in all areas of school life and ensuring that all pupils have access to the learning resources and support they need to succeed.

**Aim of the Policy**

We aim to address the key concerns associated with remote working, such as online safety, access to educational resources, data protection, and safeguarding.

This policy aims to:

- Minimise the disruption to pupils' education and the delivery of the curriculum.
- Outline expectations for continuous learning in the event of class/phase bubbles or partial/full school closure
- Ensure provision is in place so that all pupils have access to high quality learning resources.
- Protect pupils from the risks associated with using devices connected to the internet.
- Ensure staff, parent, and pupil data remains secure and is not lost or misused.

## **Appendix A**

### **Remote Learning During the Coronavirus (COVID-19) Pandemic**

Within the ever-changing circumstances we are currently living through, we must be prepared for local restrictions. If local restrictions apply, the school will implement provision for remote learning to ensure pupils never miss out on education. We will ensure that our curriculum is inclusive and accessible to all. This policy annex outlines additional measures that will be implemented for delivering remote learning during the pandemic.

#### **1. Legal framework**

1.1. This policy has due regard to all relevant legislation, statutory and good practice guidance including, but not limited to, the following:

- DfE (2020) 'Safeguarding and remote education during coronavirus (COVID-19)'
- DfE (2020) 'Adapting teaching practice for remote education'
- DfE (2020) 'Guidance for full opening: schools'
- DfE (2020) 'Get help with technology during coronavirus (COVID-19)'
- DfE (2020) 'Get laptops and tablets for children who cannot attend school due to coronavirus (COVID-19)'
- [New] DfE (2020) 'How schools can plan for tier 2 local restrictions'
- DfE (2020) 'Laptops, tablets and 4G wireless routers provided during coronavirus (COVID-19)'
- Department of Health & Social Care (2020) 'COVID-19 contain framework: a guide for local decision makers'

#### **2. Contingency planning**

- 2.1. The school will work closely with the LA to ensure the premises is COVID-secure, and will complete all necessary risk assessments – results of the opening risk assessment will be published on the school's website.
- 2.2. The school will work closely with the local health protection team when local restrictions apply and implement the provisions set within their contingency plan.
- 2.3. The school will communicate its contingency plans for local restrictions with parents, including whether it will remain open to vulnerable pupils and children of critical workers, or if remote working will be applicable for all.
- 2.4. If local restrictions are **not** applied, but a single class or 'bubble' needs to self-isolate, the school will immediately implement remote learning for that group.
- 2.5. The level of remote learning provision required will be based on the government's four tiers of local restrictions. Where there are no local restrictions in place, the school will continue to remain fully open to all, and these tiers will not apply.

##### **Tier 1 local restrictions**

- 2.6. The school will remain open if tier 1 restrictions are in place, and remote learning will not be provided at this time.

### **Tier 2 local restrictions**

- 2.7. **Primary schools** - The school will remain open if tier 2 restrictions are in place, and remote learning will not be provided at this time.

### **Tier 3 local restrictions**

- 2.8. **Primary schools** - The school will remain open if tier 3 restrictions are in place, and remote learning will not be provided at this time.

### **Tier 4 local restrictions**

- 2.9. The school will limit on-site attendance to just vulnerable children and young people. All other pupils will receive remote education in line with section 3 of this appendix.

## **3. Teaching and learning**

- 3.1. All pupils will have access to high-quality education when remote working.
- 3.2. The school will use a range of teaching methods to cater for all different learning styles, this includes:
- Google Classroom (Platform to set work, complete activities, handing work and receive feedback from staff)
  - National Oak Academy (Teaching videos & activities to support school's curriculum delivery)
  - Google Meet (Virtual teaching and tutor group sessions)
  - Purple Mash
  - Exercise book activities
  - Timetables Rockstars
- 3.3. Teachers will ensure lessons are inclusive for all pupils and can be adapted to account for the needs of disadvantaged pupils and pupils with SEND.
- 3.4. When teaching pupils who are working remotely, teachers will:
- Set assignments so that pupils have meaningful and ambitious work each day.
  - Deliver a planned, coherent and well-sequenced curriculum which allows skills to be built incrementally.
  - Provide frequent, clear explanations of new content through high-quality curriculum resources, including through educational videos.
  - Assess progress by using questions and other suitable tasks and be clear on how regularly work will be checked.
  - Adjust the pace or difficulty of what is being taught in response to questions or assessments, including, where necessary, revising material or simplifying explanations to ensure pupils' understanding.
  - Plan a programme that is of equivalent length to the core teaching pupils would receive in school, ideally including a daily instructional video from the teacher.
- 3.5. All provisions for remote learning will be subject to the class group's age, ability and/or any SEND.

- 3.6. In exceptional circumstances, the school may reduce its curriculum offering to enable pupils to cope with the workload – the headteacher will assess this need, keeping pupils' best interests in mind, and will not take the decision lightly.
- 3.7. Teachers will continue to make use of formative assessments throughout the academic year, e.g. quizzes.
- 3.8. The school will utilise the support available through the DfE's 'Get help with technology during coronavirus (COVID-19)' scheme.
- 3.9. Under the scheme, the school can order laptops, tablets and 4G wireless routers to support the following groups of pupils if they do not have access to a digital device or the internet through other means:
  - Pupils in Years 3 to 11
  - Clinically extremely vulnerable children across all year groups who are shielding or self-isolating in line with government advice
  - Children in all year groups who are unable to access remote education whilst attending school on a hospital site
- 3.10. Before distributing devices, the school will ensure:
  - The devices are set up to access remote education.
  - Appropriate safeguarding controls and support are in place to help pupils and their families use the devices safely.
- 3.11. Once devices are ready for collection, the school will either arrange for them to be collected by families from school or delivered to pupils' homes, ensuring infection control measures are adhered to as part of this process.

#### **4. Returning to school**

- 4.1. The headteacher will work with the Academy Trust, LA and PHE to ensure pupils only return to school when it is safe for them to do so.
- 4.2. After a period of self-isolation, or the lessening of local lockdown rules, the headteacher will inform parents when their child will return to school.
- 4.3. The headteacher will listen to all concerns that parents may have about their child returning to school and will advise them of the measures in place to ensure the safety of their child.

#### **5. Monitoring and review**

- 5.1. This policy annex will be reviewed in line with any updates to government guidance.
- 5.2. All changes to the policy will be communicated to relevant members of the school community.

## St John's Home Learning Plan

At St. John's we have worked hard to create a plan, irrespective of lockdown and self-isolation, that will allow us to offer education to those affected. This plan offers remote learning opportunities whilst also acknowledging that some households have limited access to devices and would require hard-copies of work and resources.

This plan will be applied in the following instances:

1. An individual is self-isolating because of a positive test within the household;
2. A group of children are self-isolating because of a case of coronavirus in the bubble;
3. A whole bubble or cohort is self-isolating because of an outbreak of coronavirus

The plan complies with the expectations and principles outlined in the DFE document [Guidance for Full Opening of Schools](#).

### Software and online platforms

Within all plans, teachers will set appropriate work in-line with our current curriculum, primarily supplemented by a range of resources provided by Oak Academy and other online resources (these may include Purple mash and Times table Rockstar's)

Children will remain in contact with their Classteacher through Google Classrooms. You will all have had a log in for this provided. If this is not the case, please email [admin@stjohns4.herts.sch.uk](mailto:admin@stjohns4.herts.sch.uk)

We have chosen to be supported by Oak National Academy. The Oak Academy lessons are in-line with our approach at St. John's – they encourage the use of retrieval practice and explicit teaching with high quality modelling. The online lessons are free to all and offer a recorded taught session so that the children can access physical teaching from a teacher and then access work relating to that lesson within the same website.

Purplemash and TT Rockstars will all be used to support the acquisition and retention of basic core skills in other foundation subjects.

Google Classrooms will be used to both upload work and to see what work is needed to be achieved. This is not possible. Children cannot initiate contact, they can only respond

**In the event of any form of isolation and loss of learning caused by Coronavirus, parents must understand that engagement in home learning is compulsory, as is the expectation that St. John's Catholic Primary School makes that provision available and accessible to all. However, if children themselves are too ill to attend then they should not be expected to engage in home learning.**

### What happens if my child is sent home or is self-isolating waiting on a test?

If a child is isolated from school i.e. the child is sent home from school to either receive a test or self-isolate as someone in the household is being tested, they will be emailed a document with instructions of what to do. If the child is off for a longer period, this can be reviewed and moved onto Google Classroom. If a child is unable to access online learning, we will work with each individual family as to be best solve the situation.

### Remote Learning

The initial response to any isolation will be to provide children with home learning materials emailed out by the office. In the case of whole cohort isolation, resources will be uploaded to Google Classroom and priority children will have packs delivered. This measure will afford teachers a short time to prepare their remote learning resources.

**Pupil needs to isolate because someone in their household is symptomatic or tests positive**

Teachers will schedule a Google Meet meeting with the children and parents for the following day (after isolation). In this meeting the teacher will discuss the remote learning arrangements and expectations. Teachers will also share a timetable of learning – this will consist of core subject lessons, a non-core lesson and a whole class reading session per day.

Using Google Classrooms, the Class teacher will upload worksheets the day before to allow parents to see the learning materials prior to supporting their child/ren. Teaching assistants will be able to support the Class teacher in identifying resources.

The Class teacher will share links to appropriate lessons from Oak National lessons through Google Classrooms.

For non-core lessons, resources will be uploaded to Google Classroom and where possible web-links to appropriate support materials will be shared. This will often be through Oak National using lessons that link to our school's curriculum. There will be an additional end of day Google Classroom meeting so that the Class teacher or TA can complete a reading for pleasure session.

Time will also be scheduled for the children to watch an assembly delivered by Mr Timson (or another member of staff). This will encourage children to keep working, celebrate successes and promote togetherness.

Completed work should be photographed and uploaded to Google Classrooms. Teachers can then review the work completed and ensure that the following day's lesson addresses misconceptions etc.

In the event of teachers becoming ill, other staff will be required to 'takeover' the account. \*

School office to contact parents to ensure a test has been taken and to make sure that parents know to communicate test results to admin@stjohns4.herts.sch.uk

If child is entitled to benefit-related FSM ensure food made available via admin.

If child is vulnerable in any way, the DSL will ensure that appropriate agencies are notified and arrange for regular safe and well checks via a phone call from the DSL (record on file).

If a child does not engage, the Senior leadership team will call the parents to discuss obstacles and support.

Where possible, we will liaise with outside SEN agencies, and if applicable, the SENCO will make arrangements for those to continue via an online system.

The SENCO will support Staff with provision for SEN children.

\*In the event of the teacher or TA becoming ill, we will endeavour to find a member of staff to 'takeover' the Google Classroom account. The video learning sessions will not necessarily be facilitated fully. We know our parents will understand that the health and wellbeing of our children, families and staff is paramount.
